The prayer chain will continue to function through out the Christmas break.

You're invited to a night of unified prayer, as we seek God and ask for His will to be done throughout our neighbourhoods, city and nation.

This isn't a night for some churches, but a night for the Church to join together. As we gather together in the name of Jesus, we truly believe the future of our world will meet the plans of heaven. It's together that we will see this city changed.
